

# FROM THE DESK OF THE RISK MANAGER COVID-19 MITIGATION

Michael Willow

This is the latest numbers that are reported to the Department of State Health Services (DSHS). It needs to be said that the numbers posted in no way are accurate. With the self testing many people do not report the positive test results to the appropriate agency or there family Doctor.

If you have been watching the news, The Novel COVID Virus booster will soon be a shot administered just like the annual flu shot.

The numbers for the week of 9/4/2022

Confirmed cases 29 this week for Total Cases for the year 1801

Probable cases 26 this week for Total Cases for the year 1486

Deaths 0 this week for Total Deaths for the year 17

As always if you have any questions please call the COVID-19 Hot Line at 361-492-5981

Thank you
