WARNING: Please read and acknowledge

The flood hazard boundary maps and other flood data used by the Bee County Floodplain Administrator in evaluating flood hazards to proposed developments are considered reasonable and accurate for regulatory purposes and are based on the best available scientific and engineering data. On rare occasions greater floods can and will occur and flood heights may be increased by man-made or natural causes. Issuance of an exemption certificate does not imply that development outside the identified areas of special flood hazard will be free from flooding or flood damage. Issuance of an exemption certificate shall not create Liability on the part of Bee County and Bee County Floodplain Administrator or any officer or employee of Bee County in the event flooding or flood damage does occur.

Signature _____
